HOFMANN[®] 

MONTY® 3650 TIRE CHANGERS

The Hofmann® *monty* 3650 is specifically designed to change on-road, RV and bus tires. The *monty* 3650 is ideal for businesses that maintain a fleet of vehicles, freight forwarders and bus garages. The *monty* 3650 can handle 22.5" and 24.5" wheels with standard accessories supplied and 16" to 19.5" wheels with optional accessories. The *monty* 3650 is designed for a single operator and to take up a minimum amount of shop floor space.

SIMPLE AND QUICK OPERATION

- After mounting the wheel onto the rotating chuck, both beads are quickly broken using the bead rollers. The tire is then removed using the same bead rollers

ONE-MAN OPERATION

- The integrated control panel conveniently moves into any position allowing one person to operate the tire changer

MINIMUM SPACE REQUIREMENT

- The *monty* 3650 uses less shop space than competitive tire changers in its class

AFFORDABLY PRICED FOR FLEETS

- Even with a fleet as small as 20 vehicles, the *monty* 3650 will pay for itself in the first year

TECHNICAL SPECIFICATIONS

| | |
